

**Who is Slider?
By: Vance R. Brainard**

(Vance is the 15 year old son of Jody & Jean Brainard and an OKYRHA member)

Slider is an American Quarter Horse; he is truly one of a kind! His AQHA registration number and NRHA competition number is 1234567. His parents, or sire and dam, were ridden by Native Americans, and this explains his liking to Indian corn. He grew up in Tulsa, Oklahoma and he loves to travel. Slider has a great disposition, and really enjoys kids! He is a real show horse and has earned the top score held in Reining.

Look for Slider at a show near you – especially if you will be at the Ariat Tulsa Reining Classic in September. He enjoys having his picture taken or loping around with the kids. Slider gets hot quickly because he still has his winter coat on, so loping time is limited. Slider is the friend and horse of children and adults. I know this much because, you could say, I have walked in Slider's shoes!
